

# Like icing on the cake. A cake made of steel, that is.

seamless. flawless. timeless.  
horse stalls and barn equipment

Sure, these barn doors are beautiful. But the flawless finish, stainless steel and brass accents, and timeless designs that Lucas Equine Equipment is known for is just icing on the cake. It's the foundation of sturdy structural steel, seamless joints and easy-gliding design that make our horse stalls and barn equipment the most functional and dependable part of your barn.
